

Top universities in India according to NIRF Ranking 2024

The Ministry of Education (MoE) uses the National Institutional Ranking Framework (NIRF) as a system to rate the [top universities in India](#) of higher learning. Ranking universities or schools of higher learning is undoubtedly a difficult endeavour, but it is essential for having a thorough understanding of India's higher education system. Higher education institutions (HEIs) across the country are ranked for the first time by the government with the NIRF. Every year, the Education Ministry releases rankings that are based on criteria to foster competitive excellence among India's higher education institutions. There is a thorough discussion of these characteristics.

The NIRF Ranking 2022 was announced by Union Education Minister Dharmendra Pradhan on July 15, 2022. A system known as the National Institutional Ranking System (NIRF) describes a process for ranking universities all around the country. Higher education institutions, or HEIs, have grown significantly in number in India over the years. These institutions are essential and useful tools for evaluating students' academic standards and brilliance. The purpose of the **NIRF Ranking 2024** list, which is released annually by the Education Ministry, is to encourage competitive excellence amongst the nation's schools and universities.

The top 100 universities in India according to NIRF Ranking 2024 List

Frequently Asked Questions

1. Who is in charge of India's NIRF Ranking 2024 universities?

The Ministry of Education (MoE), Government of India, launched the National Institutional Ranking Framework (NIRF) to rank all Indian higher education institutions together.

2. What determines India's top universities?

When determining which Indian institutions are among the best, NIRF takes into account various aspects like overall student satisfaction, campus amenities, teacher experience, and learning quality.

3. How can students profit from NIRF Ranking?

Students who are getting ready to study in India can benefit from the NIRF Ranking by learning how universities are ranked.
